
SELECTMEN'S REPORT.

TOWN OF RUTLAND,

MARCH 1, 1859.

REPORT

OF THE

SELECTMEN AND OTHER OFFICERS

TO THE

TOWN OF RUTLAND,

MARCH 1, 1859.

RUTLAND:

TUTTLE & CO'S STEAM PRINTING ESTABLISHMENT.

1859.

AUDITORS' REPORT.

The Auditors of the town of Rutland render to their fellow citizens the following report pursuant to the resolutions adopted at their annual meetings in 1856 and 1858.

They have settled with the Treasurer his account with the town, and also his account as Treasurer of the School Fund, both which will be found in the following pages.

The Overseer of the Poor has submitted his account, which follows those of the Treasurer, and which the Auditors have found correct. It will be observed that it exhibits, not the amounts actually received and paid out during the year which has elapsed since the last settlements, but the expense incurred during the current year, whether paid or not, and the income for the same period, though it may not be all realized. In this way he is enabled to furnish the actual annual cost of the poor to the town.

The inventory of the property on the town farm is next inserted, so that the whole subject is brought together. Then succeed various accounts and other papers which will be readily understood, with the aid of the explanations which accompany them. The whole we trust will bring the pecuniary affairs of the town before you more fully than they have ever been, and facilitate the preparation of more full and perfect reports hereafter.

LIABILITIES AND ASSETS.

Two suits are now pending in the county court against the town; one in Addison County, in favor of the Bank of Middlebury, the other in this County, in favor of S. H. Langdon. Both are founded upon the neglect of a former constable in not taking sufficient sureties upon certain replevin bonds, and involved something like \$20,000 in amount. They require the most vigilant attention; but as it is highly probable that the town will not be called upon to pay anything this year on account of them, beyond the expenses of the defense, they will not be noticed any farther in this report, except for that outlay.

There is reason to suppose also, that the town will be put to no expense this year on account of the Chatterton road, so called, and for that reason the expense of it, which will no doubt exceed \$3500.00, is not embraced in our estimate.

It is utterly impracticable to ascertain the amount of orders drawn by justices, the reports which should be made by them being so defective, as will be seen on recurring to them as they appear hereafter. It would have been gratifying if we could have obtained and published a list of the mittimusses now in the officers hands, but we have failed in the attempt. A critical comparison of the orders drawn during the last year by the selectmen, with those in the Treasurer's office, shows that those which are still outstanding, (being those marked thus *) amount to. . . . \$2257.67 Besides there remain unpaid of such orders drawn the

year before :

One to C. L. Williams,	\$97.16	
One to W. Harkness,	1.00—	98.16

Of orders drawn by the Overseer of the Poor
last year there remain unliquidated :

One to S. Lamphier,	\$23.00	
One to M. Hayward,	4.50	
One to M. Curtis,	12.00	
One to Barrett & Son,	15.00	
One to N. Green,	5.00—	59.50

The Overseer has also incurred the following
debts during the year, viz :

To Hodges & Owen,	\$186.69	
To R. R. Mead,	17.21	
To L. Capron,	10.00	
To B. B. Capron,	350.00	
To C. Clement,	100.00—	663.90

The expense of the Jail appears by the account hereinafter published, to be. \$288.84

U. S. surplus money and J. Smith's estate, at least.	476.74—	765.58
--	---------	--------

Making the ascertained liabilities of the town, \$3844.81

On consulting with the Selectmen, the Auditors estimate that the town will further have to pay this year :

Liabilities brought forward,.....	\$3844.81
For the services of the town officers, judging from the orders drawn the past year, which see,.....	\$600.00
To defend the law suits mentioned above,....	200.00

Abatements and miscellaneous expenses,....	350.00—\$1800.00
Liabilities to be met this year,...	5644.81
To meet this the town have—	
Balance in the Town Treasurer's hands,....	108.56

Bond from I. McDaniels and others to indem- nify against the expenses of Center street,	105.00

Fines and costs collected by J. Edgerton, say	425.00— 987.36
[All which, it is believed, will be paid in before the annual meeting.]	
Leaving a deficit of.....	\$4657.45

This will require a tax of 20 per cent. to meet it, and leave a very small margin for contingencies.

All which is respectfully submitted.

SELECTMENS' REMARKS.

The Selectmen, in complying with a resolution adopted in March meeting, 1856, wish to make the following explanations in submitting their list of orders for the past year :

The new road, running by the United States Court House and Post Office, called Center street, has been built at an expense, including land damages, of about \$3000.00.

The Supreme Court, at its session in July last, decided against the town on the Chatterton road suit, and established the road as laid by the Commissioners. Land damage awarded, \$1574.00 ; estimated cost of building, \$2000.00 more.

Agreeable to a resolution adopted last March meeting, instructing the Selectmen to settle with the Collector of taxes, and make him such compensation as was deemed just, we have given him a town order for \$300.00 in addition to what he has heretofore received. This settles all claims for abatements and compensation since he has been Constable, and, although the sum may appear large, yet, after carefully examining his books, we were satisfied with the agreement.

All law suits against the town have been disposed of, except two ; one commenced by S. H. Langdon in 1857, and one by the Bank of Middlebury last spring. And in order to leave the future agent at perfect liberty in managing them, all the counsel heretofore employed in those two suits have been discharged.
